BARENTS SUMMER GAMES and TERVA-AJOT (TAR RACES)

PIKKU-SYÖTE, PUDASJÄRVI, FINLAND, 8-9th August, 2015

1. RULES AND ORDERS

The licence-holder members of the cycling clubs in the Barents region compete for the championships of the Barents region following the stage race rules (**Barents Summer Games**). All the Finnish licence-holder cyclists compete for the master cup points of the Cycling Union of Finland (SPU) following the stage race rules (**Terva-ajot**).

The race rules and orders of UCI (International Cycling Union) and SPU are followed in the competitions. The racers must also follow the road traffic act and the road traffic ordinances.

The competitors race on their own responsibility and are obliged themselves to take out their insurance policies. They are responsible for all the damages they may cause and the organizer of the competitions is not responsible for any damages and injuries that the competitors themselves may suffer.

All the participants of the competitions, including the racers, the supporters and the team leaders, must familiarize themselves with this guide to learn the rules of the competitions and the special guidelines given by the organizer.

CLOTHING AND NUMBERS

- Racers must wear clothing and use equipment that are approved by the rules.
- The gearing of the bicycles of all the junior classes will be checked and the bicycles in the other classes will also be checked. It is not allowed to wear compression socks.
- A representative of each cycling club collects all their race numbers in the race centre. A racer is responsible for attaching his/her number and for accessories needed for the attachment. The numbers must be placed so that they are easily seen in the racing position: in the interval starts on Saturday in the middle of the lumbar region of the back and in the mass start on Sunday on the right shoulder and side. The numbers must be returned to the race office after the race; for any unreturned numbers the club of the racer in question will be charged 20 euros per number.

DROPPING OUT THE RACE

- If a racer drops out the race, he/she must inform about it as soon as possible to the race officials or judges. The racer must remove or cover his/her race number on dropping out and return it to the race office. The racer who has dropped out is not allowed to cross the finish line.

PROTESTS

- Only the race officials and the racers are allowed to make a protest. It must be made immediately to the chief judge and confirmed in writing 30 min after the race at latest. The announcement of the results of a race is regarded as the closing moment of the race.

DOPING TESTS

- Premises needed for doping tests have been reserved in the race centre.

7. SERVICES FOR RACERS

SERVICE VEHICLES

- All the vehicles that have a permission to drive on the race course must be marked appropriately. The drivers of these vehicles must follow the common traffic rules and the rules of SPU, the traffic guides and the judges, as well as the general race regulations.

ENERGY SUPPLY

- A permanent service area is located both in the start and the finish area of the race. The areas are marked with signs SERVICE AREA BEGINS - SERVICE AREA ENDS. Energy supply is forbidden during the last 20 km of the race. Energy supply from a service car is given on the left-hand side of the car in the direction of the race behind the judge car. The racer must always ask permission for the service with a hand sign.

EQUIPMENT SERVICE

- Equipment service is allowed during all the races from a service car or in the permanent service

areas. The maximum height of the service car is 160 cm. If a driver of a service car does not observe the road traffic act and follow the rules and orders of the race, he can be given notice to quit the race service. A service car may not pass the judge car without a judge's permission. An equipment service from a service car must always be done on the right-hand side of the road in the direction of the race and the service is done by the supporter while the racer stands still. The driver of the service car may not come out of the car during the service.

8. FIRST AID

– Common emergency number **112**

– Health care centre of Pudasjärvi

Address: Juhontie 8, 93100 Pudasjärvi
